CONGRESSWOMAN GABRIELLE GIFFORDS & TRAGIC EVENTS OF 1/8/11

TUCSON – The Southern Arizona Home Builders Association (SAHBA) is deeply saddened by the senseless violent attack that occurred on Saturday, January 8th against Congresswoman Gabrielle Giffords, her staff, U.S. Judge John Roll and several other members of our community.

This is an unfortunate and tragic reminder of the value of each day, the endless dedication and service of our elected officials, and the need for our community to unite beyond partisan politics to overcome the economic and social challenges we face.

Our thoughts and best wishes will continue to be with Congresswoman Giffords and her family, as well as the other victims and their loved ones.
